Nataliia Filina

▸ SUMMARY

I am a motivated and passionate Front-End Developer with knowledge of HTML, CSS, JavaScript, and React. I have a successful experience using Agile/Scrum methodology to successfully deliver projects on time. I thrive in a challenging and dynamic environment where I can make a positive contribution to both daily life and business by using my tenacity to solve problems. I learn quickly, am responsible, and am always ready for challenges. I'm also considering the option of relocation.
